Tommy called me from Paris this morning to say [redacted] the Russians had answered the Allied note agreeing to a four-power Foreign Ministers meeting, but as yet he knew no details about it.

Cloudy this morning but the swimming was good. Swam again this afternoon in brilliant sunshine.

We went out to dinner at Le Croisic with the Papastratos family, Greek cigarette manufacturers and shipowners, who are staying at the Hermitage. Afterwards an evening at the Casino where Jacqueline Francois, of phonograph disc fame, and other singers made us merry.
